**PART I—Section 1****Notifications relating to Non-Statutory Rules, Regulations and Orders and Resolutions issued by the Ministries of the Government of India (other than the Ministry of Defence) and by the Supreme Court****PRESIDENT'S SECRETARIAT***New Delhi, the 14th November 1960*

**No. 62-Pres./60.**—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Madras Fire Service:

*Name of the officer and rank*

Shri Chinnadurai Rangaraj, Sub-Officer, Madras Fire Service, Cuddalore Fire Station, South Arcot District, Madras State (*deceased*).

*Statement of services for which the decoration has been awarded.*

At midday on the 24th May, 1960 a message about a fire at Aukers Lane, Manjakuppam, Cuddalore, was received at the Cuddalore Fire Station. Sub-Officer Chinnadurai Rangaraj who was in charge of the Station immediately rushed his fire fighting units to the scene of the fire. After giving the necessary instructions to his crews for setting up the pumps and hoses, he took a fire rake and went up to the burning building to pull down the thatched roof which was alight on top and so prevent the fire from spreading. While he was performing this hazardous task the eaves of the roof suddenly collapsed and knocked him into a burning room, trapping him in the heart of the blaze. Despite desperate efforts made by the other firemen he could not be rescued alive.

Sub-Officer Chinnadurai Rangaraj displayed conspicuous courage and leadership and great devotion to duty, in the performance of which he laid down his life.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

**No. 63-Pres./60.**—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Uttar Pradesh Police:—

*Name of the officer and rank*

Shri Badri Nath Khare, Circle Inspector (Officiating), District Azamgarh, Uttar Pradesh.

*Statement of services for which the decoration has been awarded.*

On the evening of the 18th February, 1958, Information was received that the gang of notorious dacoit Rangai Kewat would commit a dacoity in village Abhaipur in P. C. Atrauli, Sri Badri Nath Khare, Officiating Circle Inspector, collected all the available police and set out for Abhaipur. At about 22.30 hours when the police party was approaching the village they were challenged and soon after, Sri Khare was fired at but the bullet missed him narrowly. Realising the danger of their position, Sri Khare immediately deployed his men behind a *mend*. The dacoits continued firing on the police party who returned the fire under the direction of Sri Khare, killing the leader of the gang, Rangai Kewat. Another dacoit, Chetnath Singh, who was severely injured, then made a desperate bid to escape, firing at Sri Khare from close range. Sri Khare had, however, with great presence of mind, dropped to one side and so escaped being shot. He then grappled with the dacoit and over-powered him. Another dacoit, Desai Kewat, was also arrested on the spot. One DBBL gun, two pistols, and 55 rounds of live ammunition were recovered from the dacoits.

In this successful encounter, Shri Badri Nath Khare displayed great initiative, leadership and devotion to duty in utter disregard of his personal safety.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

#### MINISTRY OF COMMUNITY DEVELOPMENT AND COOPERATION

(Department of Cooperation)

New Delhi, the 10th November 1960

No. 2/50/60/CT.—In order to ensure that Cooperation develops as a sound movement of the people, the imperative need for optimum strengthening of the cooperative training and education programme is widely recognised. During recent discussions in Parliament and outside, considerable stress has been laid on proper arrangements for training of cooperative personnel and others connected with the cooperative movement.

2. The system of Panchayati Raj which is now spreading fast in all the States, is expected to establish an integral link between the Lok Sabha and the Gram Sabha. The panchayats and their higher tiers are promising to grow into local Government institutions. For their effecting growth and sustenance, they will depend largely on a similar decentralisation of the economy of the country in agriculture, industry, trade and commerce. In this context, it is essential for the cooperatives to function as parallel institutions in close coordination with the institutions of panchayati raj from the village upwards. In order to ensure such coordination, the programme of training in the field of Cooperation and that of panchayati raj has to be properly coordinated.

3. Some time ago, the Government of India had appointed an Expert Committee on Cooperative Credit and a Working Group on Cooperative Farming. Their reports have been of considerable assistance in arriving at a clear direction in which the work should proceed in the Third Plan in respect of credit and farming. Steps are also being taken by the National Cooperative Development and Warehousing Board to set up special teams to study the pattern of organisation and other problems connected with cooperative processing and consumer cooperatives. These reports, taken together, will provide an effective starting point for the Third Five Year Plan. But the programme and targets, thus being determined, have to be supported by suitable programme of training and education. It is, therefore, essential to make a quick and comprehensive study of the entire system of cooperative training and education in the Third Five Year Plan. Accordingly, the Government of India have decided to set up a Study Team to help the formulation of a programme for this purpose based on available experience. Their study will include member education programme, schools for junior cooperative personnel, training centres for block level cooperative extension officers, regional cooperative training centres for intermediate personnel, Cooperative Training College at Poona for senior officers and teaching of Cooperation in village schools, high schools, colleges, universities and other institutions.

4. The Study Team will consist of the following:—

#### Leader

(1) Shri S. D. Misra, Parliamentary Secretary, Ministry of Community Development and Cooperation.

#### Members

(2) Shri Jagan Nath Prasad Pahadia Member, Lok Sabha.

(9) Shri Sham Narain, Assistant Educational Adviser, Ministry of Education, Government of India, New Delhi.

#### Member-Secretary

(10) Shri S. S. Puri, Deputy Secretary, Ministry of Community Development and Cooperation, Department of Cooperation, Government of India.

5. The terms of reference of the Study Team are:—

- (i) To examine the adequacy of existing arrangements for cooperative education and training and to suggest measures necessary for making them commensurate with the requirements of cooperative development in the Third Five Year Plan.
- (ii) To suggest such measures as will ensure active association of non-officials interested in the cooperative movement with the formulation and execution of policies and programmes relating to cooperative training and education and adequate response to the programme of non-official training.
- (iii) To recommend administrative set-up necessary for the effective administration and coordination of the training programmes at various levels.
- (iv) To suggest the programme of field study and research that can be conducted at the training centres, universities and other institutions on various problems relating to cooperative movement.

- (vii) To examine the existing facilities for teaching of Cooperation in the village schools, high schools, colleges, and universities and other institutions and to suggest measures for enlarging these facilities.
